EXAMPLES OF CARD CONTENT

Dear President Britton,

Many televisions throughout Mercy Hospital office waiting rooms are tuned to FOX NEWS.

FOX News deliberately uses propaganda techniques in its broadcasts. FOX NEWS consistently blames, mislabels, skews information and outright lies. FOX NEWS seeks to persuade rather than inform.

Please direct your facilities managers to assure televisions in the Mercy Hospital system are not tuned to FOX News.

Sincerely requested,
(your name here)

Dear Mr. Seeger,

I have my Prius serviced at Seeger Toyota and the service is always top notch. When in the waiting room upstairs, I've notice the TV is often tuned to FOX NEWS. Recent research has identified that FOX NEWS deliberately broadcasts in a style which uses propaganda to persuade its viewers rather than reporting well documented facts for viewers to use to make up their own minds on important issues. FOX NEWS intentionally skews facts, outright lies, and passes off opinion as news Please, TURN OFF FOX NEWS in your service waiting area.

Sincerely,
Mark Kumming

Dear Manager,

It is well documented that FOX NEWS practices propaganda in its broadcasts.

Fox News intentionally:

- | | |
|-------------------------|--------------------------------|
| 1. Lies and Skews fact | 5. Creates Doubt and Confusion |
| 2. Blames and Divides | 6. Brands and Mislabels |
| 3. Manipulates Language | 7. Plays on Fear |
| 4. Aggressively Asserts | 8. Bullies |
